Curriculum Vitae

Dr. Katerina ZOUROU

Senior researcher in digital (language) learning and teaching

Personal details

Name: Katerina ZOUROU
Date of birth: 09-11-1976
Place of birth: Thessaloniki, Greece
Nationality: Greek
Tel.: (+30) 6944 615626
E-mail: katerinazourou@gmail.com
Website: [Research](#); [Business](#)
Twitter: [@languages_web2](#) (3600+ followers), [@web2Learn](#) (~1000 followers),
Skype: katerinazourou

Current activity

- Recognized researcher having produced numerous peer reviewed papers, journal special issues and a research book
- Director of the e-learning company [Web2Learn](#) successfully engaged in 10+ European projects on digital education
- Lecturer at master level at University of Grenoble Alpes (France) and the Hellenic Open University (Greece).

Education

2006 **Ph. D. in computer supported online language learning and interaction**

University Stendhal Grenoble III, France

Thesis: "Computer-mediated collective learning and foreign language education: instrumentation, learning environments and tutoring". Supervisor: Prof. F. Mangenot.

Grade: Summa Cum Laude (first class honours unanimously approved by the jury)

Committee: D. Coste (chair), D. Peraya, F. Mangenot, A. Tsopanoglou. Available [online](#)

2003 **MSc. in Pedagogical Engineering in Open and Distance Learning environments**

University Franche-Comté, Besançon, France

Unpublished MSc. Dissertation: "*Un dispositif innovant pour la formation aux TICE de futurs enseignants de langues*", 87 pages.

2001 **MA in Computer Assisted Language Learning (CALL)**

University of Toulouse Le Mirail, France. Overall grade: 42.5/50

Unpublished MA Dissertation: "*De l'intégration des outils multimédias en ligne dans l'enseignement/apprentissage d'une langue étrangère*", 130 pages.

1999 **Bachelor's degree in French Language and Linguistics**

University of Thessaloniki, Greece. Overall grade: 7.85/10

Feb.-June University Marc Bloch (Human Sciences), Languages Department. Strasbourg, France

1999 ERASMUS student, six months.

Work experience

Teaching and research in Higher Education

- Sept. 2005-
onwards **Lecturer, Hellenic Open University, Patras, Greece**
Contractual lecturer in ICT for French as a Foreign Language (Master's students).
Online tutoring; supervision of Master's dissertations.
- April 2013-
December 2014 **Senior researcher, Sør-Trøndelag University College, Trondheim, Norway**
R&D project building in the area of peer learning and assessment enhanced by mobile and social networking technologies. Examples: [MobiLL](#) and [M-Lang](#) projects.
- Sept. 2008-
March 2013 **Post-doctoral researcher, University of Luxembourg**
Topic: "Development of technical and pedagogical skills of learning experts through digital telecollaborative environments". Scholarship by the Scientific Research Council (FNR), Luxembourg.
- Sept. 2006-
Aug. 2008 **Lecturer, University Stendhal Grenoble III, France**
Full time lecturer in ICT for language education. Supervision of 2nd year Master's dissertations.
Assistant in the development of language materials for Master's students involved in distance learning.
- March - June
2006 **Post-Doctoral researcher, University Stendhal Grenoble III, France.**
Analysis of computer-mediated interactional practices in distance learning environments.
Use of discourse analytical tools for multimodal interaction.
- Sept. 2002-
June 2004 **Teaching Assistant, University of Besançon, France**
Undergraduate, graduate and postgraduate courses on online learning instruction.

International organisations for education and training

- April 2008-
July 2009 **Independent Expert: European Commission study on new media in language learning**
European study on "the impact of ICT and new media on language learning". [Online](#)
Joint project coordinator, responsible for field analysis in France.
- Sept. 2004-
Aug. 2005 **Independent expert: European Commission study Lingo: language motivation in Europe**
Expert: responsible for field analysis in Finland, France, Greece, Sweden and Turkey.
Contacts with government bodies, universities, foreign representations, NGOs and the private sector.
- Jan. - June 2002 **Webmaster assistant: Council of Europe, European Centre for Modern Languages, Graz**
Webmaster assistant (trainee): management of web content and web applications.
Working languages: English, French and German. [Website](#)
- Sept. 1999-
June 2000 **Consultant, Ministry of Education, Hessen State, Frankfurt**
Member of the consultant team for Greek language teaching.
Creation and evaluation of new teaching materials for bilingual Greek students.

Cross-national research projects on digital education

- September 2017-
August 2020 **EU project "Innovative Photonics Education in Nanotechnology" (iPEN)**
- Role: project partner.
 - Partners: Technological Educational Institute of Crete (GR), Politecnico di Milano (IT), Universiteit Twente (NL), Friedrich-Alexander Universität Nürnberg (DE), Bar-Ilan University (IS), Weizmann Institute of Science (IS), Shamoon College of Engineering (IS), Holon Institute of Technology (IS), The Inter-University Computation Center (IS), Ben Gurion University of the Negev (IS), Technion Israel Institute of Technology (IS) and Foundation for Research and Technology (GR).
 - Funding: 917.176€, European Commission, Erasmus+ KA2 Capacity Building.
- September 2016-
August 2019 **EU project "Massive Open Online courses eNhancing LInguistic and Transversal skills for social inclusion and Employability" (MOONLITE)**
- Role: project co-initiator and partner. [Project Website](#)
 - Partners: National Distance University Spain (ES), University of Wolverhampton (UK), ESCP Europe business school (DE), Web2Learn (GR), Linnaeus University (SE), Knowledge Innovation Centre (MT), European Association of Distance Teaching Universities (NL).
 - Funding: 327.565€, European Commission, Erasmus+ KA2 partnerships.
- December 2016-
November 2018 **EU project "Innovation and entrepreneurship for Iranian Higher Education graduates through Data analytics" (GraDAna)**
- Role: project co-initiator and partner. [Project Website](#)
 - Partners: Aristotle University of Thessaloniki (GR), Vienna University of Technology (AT), University of Bonn (DE), Zetta Computics (DE), Web2Learn (GR) and 7 Iranian Universities.
 - Funding: 688.855€, European Commission, Erasmus+ Capacity Building in Higher Education.
- January 2016-
December 2018 **Council of Europe project "Digital literacy for the teaching and learning of languages"**
- Role: content and media expert. [Project Website](#)
 - other members: Christian Ollivier (FR), Catherine Jeanneau (IE), Ulrike Hoffmann (AT).
 - Funding: available upon request; European Centre for Modern Languages/Council of Europe.
- January 2014-
December 2016 **EU network "learning/teaching less used languages through Open Educational Resources" (LangOER)**
- Role: project initiator and manager. [Project Website](#)
 - Coordination of network activities and budget. Meetings with Commission officers.
 - Supervision of all research activities: research papers, edited volumes, conference talks, webinars
 - Partners: Fryske Akademy (NL), Web2learn (GR), European Schoolnet (BE), University of Gothenburg (SE), Jan Dlugosz University (PL), Mykolas Romeris University (LT), International Council for Open and Distance Education (NO), Linnaeus University (SE), Rezekne Higher Education Institution (LV).
 - Funding: 600.000€, European Commission, Lifelong Learning programme, KA2.
- September 2014
-August 2016 **EU project "Supporting Open Educational Resources in learning ecosystems" (ExpLOERer)**
- Role: project initiator and partner. [Project Website](#)
 - Responsible of work package 3 "[Social networking and gaming capacities of OER](#)"
 - Partners: University of Gothenburg (SE), Web2learn (GR), Flemish Ministry of Education (BE), Open University (UK), Centrum Cyfrowe. Projekt: Polska (PL).
 - Funding: 300.000€, European Commission, Erasmus+ KA2 partnerships.
- September
2013-June 2014 **Norway-Russia project "Peer language learning & assessment via mobile technologies" (MobiLL)**
- Role: project co-coordinator (with Prof. John Stav). [Project Website](#)
 - A Norwegian-Russian joint project on mobile-assisted foreign language learning.
 - Partners: Sør-Trøndelag University College (NO), and Lomonosov Moscow State University (RU).
- January 2010- **EU network "Language learning and social media: 6 key dialogues" (LS6)**

- March 2013 ➤ Role: project initiator and coordinator. [Project Website](#)
- work package (WP) leader on "[Language learning, social media and development of language resources](#)", contributor to the WPs "[social media in new EU countries](#)", "[evolution of teaching practices](#)" and "[ICT in formal & informal contexts](#)"
 - Partners: University of Luxembourg (LU), Institut National de Recherche Pédagogique, P.A.U. Education (ES); Radio France Internationale (FR), Autonomous University of Barcelona (ES), Warsaw School of Social Sciences and Humanities (PL), University of Latvia (LV), University Ovidius Constanta (RO), College of Foreign Languages (PL), ADALSIC (FR), Y.E.S. Forum (DE), University of Turku (FI), Deutsche Welle (DE), Université Stendhal Grenoble III (FR).
 - Funding: 603.000€, European Commission, Lifelong Learning programme, Languages action.
- Sept 2008- June 2011 **"Providing language tuition online to rural areas and remote regions in Greece"** (Proseggisi)
- Development of online language materials and provision of online tutoring via broadband satellite communications to groups of people in remote locations in Greece.
- Partners: Hellenic Open University and Ellinogermaniki Agogi, Greece.
- 2002-2006, **"Designing digital learning materials and teaching students online"** (F1L)
- 2008-2010 "Le français en (première) ligne" project. [Website](#).
- Supporting Master's students in French as a Foreign Language to create multimedia tasks for distance learners and to provide online tutoring to learners.
 - Partners: 11 universities located in France (Lyon, Grenoble, Besançon), Spain (Léon), Latvia (Riga), Luxembourg, USA (Virginia, Berkeley California), Australia (Melbourne and Sydney), Japan (Tokyo).
 - Funding: French Embassy in Australia, Ecole Normale Supérieure Lyon and University of Grenoble.
- Oct. 2006- Jan. 2008 **"Personalization of Digital environments for human learning"**.
- Interpretation of traces and regulation of online social and linguistic interactions. [Website](#)
 - Partners: University Stendhal Grenoble III, University Lyon I, Ecole Normale Supérieure Lettres et Sciences Humaines, Ecole Nationale Supérieure des Mines de Saint Etienne.
 - Funding: Rhône-Alpes region, France.
- Oct. 2004- June 2007 **"Tools and pedagogy for online interaction"** (ODIL)
- Analysis of online multilingual exchanges between distance learners.
 - Partners: University of Grenoble Stendhal III (coordinator), Open University (UK), Ecole Normale Supérieure Lettres et Sciences Humaines, University of Franche-Comté, University Le Mans II.
 - Funding: Agence Nationale de la Recherche (ANR), France.

Awards & fellowships

- EU scientific grant to spend a research stay at the University of Iceland, March 2018. EnetCollect project (European Network for Combining Language Learning with Crowdsourcing Techniques), COST action.
- Visiting Lecturer in 3 Taiwanese Universities (Providence University, Tainan city; National Chengchi University, Taipei; National Cheng Kung University (NCKU), Taichung) in May 2010. Research fellowship by the National Science Council, Taiwan. Topic: "Telecollaboration: practices and challenges in language education".
- Invited by the French Consulate in Hong Kong & Macao for a series of specialized training sessions on web 2.0 technologies for language education for teachers of French. June 2010, travel and lodging covered.
- Research fellowship by the Fonds National de la Recherche Luxembourg (FNR) for attending the JALT Conference 2010 in Shangyo University, Kyoto, Japan, May 28-30, 2010.
- Research fellowship by the Fonds National de la Recherche Luxembourg (FNR) for attending the world conference on Computer Supported Collaborative Learning (CSCL) 2009, University of the Aegean, Rhodes, Greece, June 2009.

- Research fellowship by the Fonds National de la Recherche Luxembourg (FNR) for presenting a paper at the CLaSIC conference 2008 in Singapore, National University of Singapore, December 2008.
- Research fellowship by the Fonds National de la Recherche Luxembourg (FNR) for attending a specialized training course on data analysis software (Atlas.ti), Germany, March 2009.
- Research Fellowship from the "Centre de coopération inter-universitaire franco-québécoise". Travel and lodging expenses paid for participation in the annual "Cognitio 2006" conference in Montréal (CA), August 2006.
- Onassis Foundation Scholarship for participation in the 2003 Lecture Series in Computer Science: "Internet and Web: Crawling the Algorithmic Foundations". Institute of Computer Science, University of Crete, July 7 -11, 2003.

Consulting services, expert evaluations

Cyprus

- *Research Promotion Foundation of Cyprus*

External evaluator for applications under the Framework programme for Research, Technological Development and Innovation, 2009-2010.

European Commission

Invited by Directorate General Education and Culture to join expert panel discussions in [2011](#) (Brussels), [2012](#) (Beijing) and [2013](#) (Vilnius).

Education, Audiovisual & Culture Executive Agency (EACEA)

- Expert reviewer of applications submitted within Lingua action, 2003, 2004 and 2005 of Socrates programme
- Expert reviewer of applications submitted within actions Grundtvig (2008) and KA2 Languages (2009) of the Lifelong Learning programme.
- Offering training services to project managers of granted projects in the Languages and Higher Education sector on digital and social media communication strategies in [2013](#) (5/2) and [2014](#) (23/1). Invited to present project results in [2010](#) and [2012](#) (session 5).

Italy

- *National Centre for Research, Institute of Educational Technologies*

Expert Reviewer of the methodological framework of the country-wide study "Social Media e università", June 2014

France

- *National Agency for Erasmus+ Education and Training*

Expert reviewer of applications in the Erasmus+, February-April 2017 and 2018.

- *National Agency for Research*

Expert reviewer of applications in the Information and Communication Technologies sector, June 2010.

Germany

- *Ministry of Education, Hessen State, Frankfurt*

Member of the consulting team on bilingualism. Creation and evaluation of new teaching materials for bilingual Greek students, Oct. 1999-June 2000.

Greece

- *State Scholarships Foundation*

Expert reviewer of Erasmus+ applications, May 2016 and February 2017.

- *University of Athens*

Scientific advice on research projects in the area of digitally enhanced language learning, April 2016.

- *Ministry of Labor, Social Security and Welfare*

Expert reviewer of vocational training projects funded by the European Social Fund, February 2006.

- *Ministry of National Education and Religious Affairs*

-Programme "Education and lifelong learning 2010". Areas: intercultural learning and less-taught languages.

-Regional training programmes and multilingual curricula in primary education (Action 2.2, EPEAEK II), 2008.

➤ *The National Accreditation Centre for Continuing Vocational Training (EKEPIS)*

Expert reviewer of curricula for teacher training and teacher training accreditation programmes, March 2007.

➤ *Region of Central Macedonia, Thessaloniki*

Expert reviewer of training curricula for job seekers. Operational Programme of Central Macedonia, June 2007.

➤ *Research committee of University of Thessaly*

Expert reviewer on project proposals on ICT and civil society, National Strategic Reference Framework, Feb. 2013.

European Commission funded projects

➤ [ELBYSIER](#): *Electronics Beyond Silicon Era*

Expert consultation on project procedures and outcomes. April 2016-September 2018.

➤ [COMALAT](#): *Competence oriented multilingual adaptive language assessment and training system*

Expert consultation on elearning solutions adopted by the consortium. October 2014-September 2017.

➤ [Organic Electronics & Applications](#)

Expert consultation on project procedures and outcomes. June 2014-May 2015.

➤ [Open Education challenge](#)

Advisor on selection of most innovative educational business ideas for seed funding and mentoring, 2014-2015.

➤ [SUN.COM](#): *sustainable networking community*

Expert consultation on the design of informal language learning environments, October 2012- June 2014.

➤ [iLike](#): *Identifying the logic structure of languages by use of new interactive mobile services*

Expert review of the computer-assisted language learning pedagogical framework, May 2013.

➤ [POERUP](#): *Policies for OER uptake*

Collection and analysis of country specific data on OER policies ([Greece](#)), October-November 2012.

➤ [MW-TELL](#): *mobile & wireless technology for Technology Enhanced Language Learning*

External content evaluator in the field of networking technologies for language learning, September 2010.

Member of scientific committees of peer-reviewed journals

➤ Reviewer for [Language Learning and Technology](#) Journal. 2014 Impact factor: 1,13 (ISI Journal Citation Ranking)

➤ Reviewer for [ReCALL](#) Journal. 2014 Impact factor: 1,12.

➤ Book review editor of the [ALSIC journal](#) (Apprentissage des Langues et Systèmes de l'Information et de la Communication), indexed in the MLA International Bibliography and European journals index ERIH.

Member of scientific committees of conferences

➤ [CSCL 2017](#) (Computer Supported Collaborative Learning), [CSCL 2015](#) , [CSCL 2013](#) & [CSCL 2011](#).

➤ [ICALT 2017](#) conference (TELL@ICALT track)

➤ [OER 16](#) (Open Educational Resources)

➤ [EPAL 2018](#) (Learning and Teaching Online), [EPAL 2015](#), [EPAL 2013](#) & [EPAL 2011](#).

➤ [INCoS 2012](#) (International Conference on Intelligent Networking & Collaborative Systems), [INCoS 2011](#) & [2010](#).

➤ Cedill 2012 (Multidisciplinary conference on the study of language) & [Cedill 2010](#).

➤ [Cognitio 2009](#), "Changing Minds: Cultures and Cognition in Evolution" & [Cognitio 2007](#).

Invited presentations

Travel, lodging and/or expert fee offered by the organisers of each venue

1. (2018). Crowdsourcing in language learning and teaching: "small" languages' achievements. University of Iceland, March 9.

2. (2016). Keynote talk at the symposium «The Future of Learning: Critical Perspectives on Higher Education in the Digital Age». University of Central Lancashire, **Preston**, UK. June 22. [Programme](#) and [slides](#).

3. (2016). «How Internet and social media can enhance entrepreneurship». Symposium «Entrepreneurship and Theoretical studies». National University of **Athens**. March 17 (videoconference). [Slides](#)
4. (2014). «Social media for communication purposes of Erasmus projects ». Invited by European Commission's Education, Audiovisual and Culture Executive Agency (EACEA) to give a presentation to project managers specializing in the Higher Education sector. **Brussels**, January 23. [Slides](#).
5. (2013). « Médias sociaux et apprentissage des langues: quelle(s) nouveauté(s)? » Colloque ALSIC, Montpellier, 12-13 December. [Slides](#).
6. (2013). «Languages for mobility, jobs and active citizenship». Organised by Directorate General Education And Culture of the European Commission and Lithuanian presidency of the Council of the European Union. **Vilnius**, Lithuania, 25-26 September.
7. (2013). «Open Education: multilingual, user driven and glocalised». Invitation by the European Commission's Joint Research Centre to join the dedicated foresight [workshop](#) on the development of a common vision of the Future of Open Education. **Seville**, April 29-30.
8. (2013). Invitation to organize the round table «Apprentissages collectifs informels en réseau : nouveaux défis pour la didactique des langues», EPAL 2013 conference, University of **Grenoble**, June, 6-8. [Online](#)
9. (2012). «Social media to boost communication and dissemination plans of European projects». Invited by European Commission's Education, Audiovisual and Culture Executive Agency (EACEA) to give a presentation at the annual Infoday. **Brussels**, November 12, [Link](#) (click "session 5")
- 10.(2012). «Social media and language learning: beliefs, attitudes and uses in Latvia, Poland and Romania». Expert seminar «Social Media and Lesser Used Languages», November, 28-30, **Ljouwert**, The Netherlands.
- 11.(2012). «Are social media appropriate to enhance creativity for language learning?» CREALLE conference (Creativity in Language Learning), **Brussels**, November 15 - 16.
- 12.(2012). « Enseigner des langues dans des contextes d'apprentissage informels du web social : quels défis, quelles possibilités ?» Centre International d'Etudes Pédagogiques, Sèvres, **Paris**, October 22.
- 13.(2012). «Language learning and social media: a happy marriage?». Organized by the European Commission and EUNIC (European Union National Institutes for Culture). **Warsaw**, September 24.
- 14.(2011). «Social networking for learning languages in Europe». A presentation to the 2011 EU-China year of Youth, Conference on Multilingualism, European, Commission, **Brussels**, May 19. [Link](#)
- 15.(2010). «ICT, New Media, and Language learning: evidence from the impact study». Invited by the European Commission Education, Culture and Audiovisual Executive Agency to the symposium "CALL in EU funded projects: state-of-the-art and future perspectives". Eurocall conference, University **Bordeaux III**, September 9. [Link](#)
16. (2010). «Web 2.0 and how it affects development of language resources, materials and methods: perceptions by media and publishing houses». Invited by National Cheng Kung University, **Taiwan**, May 6.
- 17.(2010). «ICT connecting the world in foreign language learning». Invited by Providence University, Tainan city, **Taiwan**. May 13.
- 18.(2010). «Telecollaboration and Web 2.0 tools in educational contexts: exploring boundaries between formal and informal learning». Invited by National Chengchi University, Taipei, **Taiwan**. May 14.
- 19.(2009). «What is intercultural competence and how can we use it in connection to international youth work projects?». Round table on Intercultural Competence organised by SALTO-Youth (Support, Advanced Learning and Training Opportunities within the European YOUTH programme). **Rome**, 25-29 May.
- 20.(2008). «Développements technologiques et apprentissage des langues : potentiel et inconvénients des outils de communication `à la mode'». Conference organised by the Greek Ministry of Education and the Association of teachers of French. Association of teachers of French in Greece. **Athens**, 12-13 January.

List of publications

Impact (h-index) of my publications is available at Google Scholar: [Katerina Zourou](#)

A. Edited books

Lamy, M.-N., & Zourou, K. (Ed.) 2013. *Social networking for language education*. Palgrave Macmillan. [Extracts](#)

B. Edited journal issues

1. Sauro, S. & Zourou, K. (Ed.) 2019. *Computer Supported Language Learning in the Digital Wilds*. [Language Learning and Technology](#). (Impact factor 2.43, placed 14 out of 179 in Linguistics and 30 out of 230 in Education).
2. Zourou, K. (Ed) 2016. *Social dynamics in Open Educational Practice*. Special issue, *ALSIC journal*. <http://alsic.revues.org/>

N. Dissertations

3. Zourou, K. 2006. *Apprentissages collectifs médiatisés et didactique des langues : outils, dispositifs et accompagnement pédagogique*. Ph.D. dissertation, University Stendhal Grenoble III, France, February 2006, 581 pages. [Online](#)

4. Zourou, K. 2003. *Un dispositif innovant pour la formation aux TICE de futurs enseignants de langues*. Unpublished Master Dissertation. University Franche-Comté, Besançon, 87 pages.

5. Zourou, K. 2001. *De l'intégration des outils multimédias en ligne dans l'enseignement/apprentissage d'une langue étrangère*. Unpublished Master dissertation, University Toulouse Le Mirail, 130 pages.

Teaching in Higher Education institutions

2nd year of master's studies

University of Grenoble III, France

Computer Assisted Language Learning. 20 hours in 2014-2015, 2015-2016.

➤ online via *Moodle* learning management system.

➤ *Computer Supported Collaborative Learning*. 18 hours in 2006-2007, 2007-2008, 2008-2009, 2012-2013, 2013-2014.

Tuition mode: online via *Dokeos* learning management system.

➤ *Methodology of Master's dissertations*

12 hours in 2006-2007 and 2007-2008

Tuition mode: online, via *Dokeos* learning management system.

➤ *Professional traineeships*

20 hours in 2006-2007 and 15 hours in 2007-2008

Tuition mode : online, via *Moodle*.

Hellenic Open University, Athens

- *ICT in teaching French as a foreign language*

Tuition mode: Blended course with face-to-face meetings and online tutoring via *Moodle*.

800 hours (80 hours/month) each year, 2005-2006, 2007-2008, 2008-2009, 2009-2010, 2010-2011, 2011-2012.

University of Luxembourg

- *Telecollaboration I, II, III, IV and V*

60 hours a year, 2008-2009 and 2009-2010

- *On-line teaching and learning practices in the context of language education*

12 hours 2007-2008. Tuition mode: face-to-face.

University Le Mans (Université du Maine), France

- *Computer Assisted language pedagogy*

60 hours in 2010-2011, 2011-2012. Tuition mode: online via *Moodle*.

Autonomous University of Barcelona

- *Online interaction for foreign language learning*

25 hours, 2008-2009 and 2009-2010. Tuition mode: online tutoring via *Moodle*.

University of Franche-Comté, France

- *ICT in foreign language education*

2002-2003, 60 hours. Tuition mode: face-to-face classes.

- *Web design and animation (Macromedia Dreamweaver and Flash)*

2002-2003, 60 hours. Tuition mode: Face-to-face.

University of Macedonia, Thessaloniki, Greece.

- *Digital technologies in Foreign language instruction*

Tuition mode: 13 hours in 2003. Tuition mode: face-to-face.

1st year of master's studies

University of Grenoble III, France

- *ICT in teaching French as a foreign language*

100 hours in 2006-2007 and 2007-2008. Tuition mode: online via *WebCT* in 2006/7 and *Blackboard* in 2007/8.

- *Professional traineeships*

15 hours in 2006-2007 and 2007-2008. Tuition mode: online via *WebCT* in 2006/7 and *Blackboard* in 2007/8.

Undergraduate courses

University of Grenoble III, France

- *Learning a completely new language.*

15 hours in 2006-2007 and 2007-2008. Tuition mode: face-to-face.

University of Franche-Comté, France

- *Foreign Language instruction.*

50 hours in 2003-2004. Tuition mode: face-to-face.

Supervision of Ph.D. Dissertations

- Member of the advisory board of Mr. Miguel Saona Vallejos, University of Central Lancashire, UK. 2016-

Supervision of Master's Dissertations

- 28 Master theses at the Hellenic Open University, Greece, and
 - 13 Master theses at the University Stendhal Grenoble III, France.
- Full list available upon request.

Languages

- Greek: native speaker
- English: C2 level: fluent, working language in numerous professional contexts.
- French: C2 level: fluent (resident for 7 years in France and Luxembourg)
- German: B1 level: good (resident for 2 years in Germany and Austria)
- Spanish: A2 level: beginner

ICT skills

- PC and Mac user; Open Office and cloud applications (iCloud, Google Drive); MS Office 10.
- Twitter expert [@languages_web2](#) (3500+ followers) and [web2Learn.eu](#) (~1000 followers).
- Moderator skills in videoconferencing systems (Adobe Connect, Blackboard Collaborate, Spreed).
- Everyday use of social networking sites (Twitter, LinkedIn, Slideshare, Instagram, Mendeley YouTube, Vimeo).
- 3D Immersive environments (for learning): Second Life.
- Learning Management systems (LMS) and portfolios: Mahara, Moodle, WebCT, Blackboard, Quickplace, Dokéos.

Social and Organizational Skills

Effective project management of large-scale European projects:

["OER in less used languages"](#) (2014-2016): coordinating 10 European partners located in 8 countries (NL, GR, BE, PL, SE, NO, LV, LT), supervising the budget (600.000€). 44 deliverables foreseen during the 3-year project.

["Language learning and social media: 6 key dialogues"](#) (2010-2012): coordinating 14 European partners located in 8 countries (FR, ES, PL; LV, RO, DE, FI, LU); supervising the budget (603.585€) and the 68 deliverables of the 3-year project. Regular meetings with the European Commission project officers.

[Internet and social media communication](#): (2012-2013): coordinating 6 European partners in 6 countries (LU, GR, BE, ES, UK, IT), monitoring the budget (450.000€) and the 34 deliverables of the 2-year project.

- Successful collaborations in multicultural work environments over the last 13 years with placements in Austria, Belgium, France, Germany, Greece, Luxembourg and Norway.
- Effective team player with excellent communication skills; motivated, self-disciplined; efficient time manager.

Interests

Travelling. Sports: sailing, tennis and climbing. Current member of the YMCA and the Nautical Club of Thessaloniki. Music: piano and flute player for concerts performed by the University of Toulouse and Aristotle University bands.
